Mediofondo, about 60 km, ride at a controlled speed, the details of which are indicated in the event site, and will start after the departure of the Granfondo Campagnolo Roma. It is a non-competitive event, open to everyone even if not registered or in possession of medical certificate for cycling, and all types of bicycles, including e-bikes can be used.

Rights and obligations of the participants

Please observe the Highway Code.

Use an approved helmet and keep it fastened throughout the race.

Attach clearly visible on the handlebar number (front) and back the number (dorsal), both supplied by the Organization. These numbers can not be changed, reduced or altered in any way, under penalty of disqualification.

Wear the mandatory technical shirt Granfondo Campagnolo Roma 2019, contained in the race pack.

Bring a repair kit.

Wear appropriate clothing according the weather.

The riders passed by the vehicle "after the race" will continue the ride conscious of not having any protection (mechanical assistance, closing roads, etc.) And all roads will be open to traffic.

Disqualifications

Participants wearing the number of another cyclist or given to other participant, the start in a gate previous that assigned or other grave fact which is detected by the organization, will cause the immediate disqualification from the event and the exclusion from the classification other than a disqualification from the event from one to five years. In serious cases, disqualification may be

for life. The above measures decided by the organization. Competitors who throw objects of any kind outside of allowed marked spaces will be disqualified and can not participate the following year.

The organization reserves the right to take action if a notice of a non sporty conduct.

Participation diploma - chip

Mediofondo is an ecological ride that does not include cards of any kind.

However, for reasons of safety (traceability along the way) and to ensure the participation certificate to be downloaded from the site, each participant will be provided with a valid personal chip..

The traceability will be carried out by an Official Timer MySDAM with technology based on the use of "chips".

Medical care

The medical backup service includes ambulances manned by doctors and medical staff.

Mechanical assistance

Cars and motorcycles in various service points along the way.

Private assistance

The assistance of any kind from private vehicles following the race is strictly prohibited, under penalty of disqualification of the participant.

It warns that, for a correct and safe running of the event, the data of the vehicles that were to follow abusively competitors and transit spaces closed to normal traffic, ie in the space between the beginning and the end of the race, they will be detected by the inspectors of the organization and delivered to the Jury and to the competent police to any measures of sport infringement and of the highway code

Radio assistance

On the way and on arrival.

Complaints

Any complaints must be submitted to the Jury in regular terms accompanied by the prescribed fee established by F.C.I.

Standards

The organization accepts no responsibility for accidents or damage to persons, animals and things that will happen before, during and after the cycling event. It's mandatory for all participants to the event the respect for and observance of the rules of the Highway Code. As non in these regulations, it will apply F.C.I regulations.

Signature

By submitting the online registration form, the competitor or, in case of a minor, the parent who takes place, declares to be in possession of the medical certificate under D.M. of 18/02/1982, to be in possession of regular card, for liability insurance to third parties and to have read of this Regulation, accepting it unconditionally in every point.

Having regard to the processing of personal data, the participant, by selecting to check the specific box at the bottom of the online registration form, declares to have read the information statement pursuant to art. 13 of EU Regulation 679/2016 ("**GDPR**") ("**Information Statement**") made available at the specific link and to have been informed through the above-mentioned Information Statement that consent for the processing of data strictly necessary for participation in the race is not necessary, when the processing is justified on a different legal basis of processing. The provision of personal data is optional. Lacking the communication of such personal data, you will be prevented from completing the registration. For the purposes other than those strictly necessary for the participation to the race, the processing will be carried out only subject to participant's consent, which, however, can be revoked at any time by the participant. The data must be complete, updated and legible also for insurance purposes.

The data, as better explained in the Information Statement - which is an integral part of this Rules and which is intended here integrally referred to - may be communicated and processed also by third parties offering services regarding and connected to the race, such as, for example: those aimed at timing the time, prepare and announce the lists of results and those with the purpose of photographing or filming the competitor. Such subjects/entities, having regard to those data processing outsourced and carried out on behalf of the data controllers (as defined in the Information Statement), will act as external data processor, pursuant to section 28 of GDPR. Some of these subjects, however, might act as data controllers in respect to the communicated data, subject to their release of a proper information statement pursuant to Section 14 of GDPR, unless otherwise provided by laws.

To this end, please check also our partner's privacy policy:

-SPORTOGRAF GmbH & Co. KG al presente link:

<https://www.sportograf.com/it/service/general/privacy>

Having regard to the lists of results and rankings, the publication of photos, videos, audio - and / or video recordings of any kind, the Data Controllers will use such data and images of the athlete for internal and external use (various publications, sports videos through telematic means and on Campagnolo Roma website).

Regarding the images and / or video recordings, the athlete may appear alone or together with other subjects during the initiatives promoted by and for the Organization or for any other entity indicated in the Information Statement as data controller.

By reading the Information Statement, the participant acknowledges that the aforementioned processing is strictly necessary in order to carry out the purposes explained in the Information Statement for which consent is not required, without prejudice to the rights set forth in articles. 15 et seq. of the GDPR that may be exercised at any time as better described in the Information Statement.

The participant may also have further information about the processing of personal data carried out through the "Campagnolo Roma" website

Furthermore, by sending the online application the competitor, together with the representative of his team, self-certifies that there are no sporting sanctions, civil and / or criminal penalties in excess of six months, although discounted, for facts relating to doping and declares not have taken- and not take - substances included in the doping list of the World Anti-doping Agency (WADA).

The false self-certification will be prosecuted according to the law.
